FALL FESTIVAL

The Town of Wyoming will be hosting its annual Fall Festival on Friday, October 31st from 6—8 PM at the Wyoming Park. Bring the family down for food, fun, and of course...candy before, during, or after your trick or treating adventures. Trick or Treating is scheduled for the same times throughout town. Make sure to be safe and carry a flashlight.

YARD WASTE

As autumn settles in and the leaves begin to fall you will need a way to dispose of them. Please remember that you CAN NOT put leaves in your trash receptacle. The Town of Wyoming does have curbside Yard Waste pickups; however, leaves and other yard waste must either be placed loose in plastic receptacles, in a yard waste bin, or in biodegradable bags. If you need more information on Yard Waste pick-up please contact Town Hall. You can find out when the next Yard Waste Pick-Up is by referring to the Calendar of Events or your 2014 Trash Calendar.

FROM THE DESK OF MAYOR RIFE

OCTOBER

Fall is here and with it brings all of the beautiful fall colors. As you take your walk around town take a minute to enjoy the beauty of Fall in our great Town.

Donald Blakey

I would like to thank Rep. Blakey for his service to our town and this great district. You are a great person and will be missed.

Layton Street drainage project

The Layton Avenue project is coming to a close soon and the drainage problems that have been there for years will soon be a faint memory. This project is being done by a grant from FEMA and the matching funds have been given to the Town of Wyoming by **Rep. Donald Blakey and Sen. Brian Bushweller**. A Huge THANK YOU TO BOTH THESE GREAT MEN.

Fall Festival

The fall festival will be held on October 31, 2014 at the Wyoming Park 6:00pm – 8:00pm. Please come out and enjoy all the fun. If you would like to volunteer please call Town hall and leave your name and phone number.

And as always: Without all of you this town would not be

“The Best little Town in Delaware”

Thank You

Dale Rife
Mayor

ONE WAY STREETS

At the September Town Council meeting the one-way streets were approved. Since then Del-DOT has also approved the change. This change will take effect somewhere around the first of the year. The new flow of traffic is as follows: Pine Street will be ONE-WAY traveling from north to south. South Layton Avenue (between Southern Boulevard and Camden-Wyoming Avenue) will be ONE-WAY traveling from south to north. Please be aware of your surroundings and changing traffic patterns as the time approaches.
